

Winter Semester 2020/21

Universität Potsdam - Zentrum für Sprachen und Schlüsselkompetenzen

English Courses for Law Students from Nanterre

The following legal English courses fulfill the language requirement of the University of Paris in Nanterre. Please note that the courses will be conducted **online during designated class times**. Each course comprises **four hours per week**, either one four-hour block or two two-hour blocks. Regular attendance is required and the attendance requirement will be enforced. That means that a student may miss only up to eight hours of class during the semester.

The legal English courses require registration through the Zessko website:
